## BIG DELEGATION WILL MARCH

**Full Five Hundred Virginia Students Expected to Be in Parade.**

Charlottesville, Va., February 27.—Plans are now taking definite shape for student participation in the inaugural parade. The committee in charge of the arrangements and buy of the details of the celebration and confidently expects that fully 500 students will take advantage of the concessions offered to see the great political pageant.

The announcement has been made that Congressman E. W. Saunders of the Fifth Congressional District, an alumnus of the University, had secured gratis the services of a trained military band to lead the Virginia delegation. Arrangements have been made whereby the members of the band will reach the University Monday evening and spend the night at the University. At 5 A. M. Tuesday the band will give a serenade on the lawn to aid in organizing the students making the trip.

It has not been definitely decided whether the members of the University faculty will participate in the parade. The Washington authorities are desirous that the University delegation be headed by the faculty, especially the Johns Hopkins professors, who are planning to march with the student body of that institution. In the event that the faculty members take part, they will wear their official caps and gowns.

## SEVERAL DOGS POISONED.

**Owners of Canines Are on Lookout for Guilty.**

Pulaski, Va., February 27.—Poison has been caught a number of dogs on North Jefferson Street the past few days, very much to the grief of the householders where they have been petted. One dog, owned by Mrs. J. Jordan and Miss Myrtle Wygal, was killed as a result of getting poison, while Donald Campbell, who lives in Dry Hollow, and it is not thought can recover, from an overdose he got. Just where the animals have gotten the deadly medicine is uncertain, but some are inclined to believe it has been thrown into the street with malicious intent, and as a result the owners of the canines are anxious to apprehend the party or parties putting out the poison.

## ARRESTED THREE TIMES.

**One-Legged Tramp Wheeled to Station-House by Officers.**

Alexandria, Va., February 27.—Thomas Evans, a one-legged man, was arrested Monday night for vagrancy, and early Tuesday morning was wheeled with the understanding that he would leave the city. An hour later he was found on the street, in a condition, he could not walk, and officers were compelled to utilize a wheelbarrow in order to transport him to the station-house. He was turned out in the afternoon, but later was again found in an intoxicated condition and was locked up the third time. He was brought before the Police Court yesterday morning.

It was shown that after having been placed aboard an electric train for Washington the prisoner allegedly refused to get off, and he was taken back to the city and soon became drunk. The prisoner in his statement said he let his leg while talking with malicious intent, and had been "on the road" fourteen years. He was at one time a member of a circus. He claimed Alexandria, Va., as his home. The police alleged that his proper name is Harry Campbell, and that he had been held until 11 o'clock, when he was again placed upon a train for Washington. Should he reappear in this city he will be given a term in jail.

## PHILADELPHIA TRICK FAILS.

**Norfolk Now Stands Equal Chance for Big Shipyard.**

Norfolk, Va., February 27.—Through the efforts of Congressman E. W. Holland, of this district, the navy yard at Norfolk now carries a total of \$100,000 for the Norfolk Navy Yard, as against \$200,000 for the Philadelphia Navy Yard. The bill, which is now in the hands of the committee on the navy, is expected to pass the House in the near future. ## BROKEN WIRES REPAIRED.

**Telephone Communication Between Richmond and Danville Restored.**

Danville, Va., February 27.—For something like six hours Tuesday night the telephone communication with this city and Richmond was interrupted. But for the resourcefulness and quick action of the local plant foreman this period would probably have been considerably lengthened, for the trouble occurred twenty miles away from the city, and it was hard to reach.

At Elmo, in Halifax County, a tree in close proximity to the Chesapeake and Potomac telephone wires became felled. The wire spread very quickly to two or three more, and soon a miniature forest fire was raging. As the trees became consumed they fell down. At 5:29 Tuesday afternoon the trouble was located, and A. C. Lyons, the plant foreman, with two assistants, secured an automobile and floundered away through the mud South Boston road. Progress was not very rapid, as the road was in a terrible condition, and the chauffeur deemed it better part of valor to drive his machine carefully. In an hour and a quarter

## Doctors Said He Would Die

## A Friend's Advice Saves Life

I wish to speak of the wonderful cure that I have received from your noted Swamp-Root, the great kidney and bladder cure. Last summer I was taken with severe pains in my back and sides. I could not breathe without difficulty. I tried all the different doctors from far and near, but they said it was no use to doctor, as I would die anyway. I was at the end of my rope and was so miserable with pain and the thought that I must die that words cannot tell how I felt. One day a friend told me of the wonderful help she had received from Dr. Kilmer's Swamp-Root. She gave me one of your pamphlets, which I read and determined to try Swamp-Root. After taking half a bottle I felt better. Have now taken ten bottles and am well as I ever was, thanks to Swamp-Root. I wish to tell all suffering people that have kidney, liver or bladder trouble that Dr. Kilmer's Swamp-Root is the best medicine on the market.

All persons doubting this statement can write to me, and I will answer them directly.

Yours very truly,  
CLYDE F. CAMERER,  
Rosalia, Wash.

Subscribed and sworn to before me this 23d day of July, 1909.

## MYSTERIOUS SERUM KEPT IN LOCKED ROOM

DR. FRIEDRICH F. FRIEDMANN.

## Discoverer of Alleged Tuberculosis Cure Refuses to Turn Any of It Over for Tests by Public Health Service.

[Special to The Times-Dispatch.]

New York, February 27.—Dr. Friedrich Franz Friedmann, to-night made application to the trustees of Bellevue Hospital for permission to treat charity patients three days a week at that institution during his stay here. He also expects to open an office tomorrow for the treatment of private patients.

Positive announcement was made by the representatives of the German savant that he would be ready to begin the treatments Saturday. The mysterious serum by which the doctor claims to effect his marvelous cures is carefully guarded in a locked room of the doctor's suite at the Waldorf.

The bacilli are under culture and are rapidly multiplying for the demonstrations which Dr. Friedmann is preparing to give.

Beyond the announcement that the government tests of the serum positively would take place in New York in the doctor's quarters, no announcement as to the result of the conference with the government representatives was made by Dr. Friedmann or any of his representatives.

Dr. H. H. Anderson, of the Hygienic Laboratory of the Public Health Service, accompanied by Dr. H. M. Foster, met Dr. Friedmann. It was proposed that Dr. Friedmann turn over some of

his serum to be taken to Washington for tests. This he refused to do, insisting that the tests be held under his direction here in New York.

"Whether the tests will be made at all," said Dr. Foster to-night, "depends entirely upon the decision of the surgeon-general. Dr. Anderson will report the result of the conference and then the surgeon-general will decide what course to take."

Dr. Friedmann's brother, Dr. Arthur Charles Henry Friedmann, of Colorado Springs, announced for the German savant that no one in this country has a contract for the purchase of this serum.

"One thing I want understood," said Dr. A. C. H. Friedmann, "is that the reason my brother has come here is to give a thorough demonstration of his cure, and he is not after money. In Germany everybody is skeptical about every discovery that is announced by any one not in the ring of old well known scientists. It is hard for a young man to break in. My brother came to this country because he thought he could get a square deal here. Why don't you give him a chance. Let him demonstrate his cure before you begin criticisms. If he fails you will have time enough to knock. But he will not fail."

## CONCRETE MIXER BREAKS

**Work on Mayo's Bridge Delayed Again by Machinery.**

Work on the new Mayo Bridge has been delayed this week and consid-

able damage done by a break in the concrete mixing plant. One of the arches on the south end of the structure was being put up, and while the mixer was being repaired, the wet concrete settled. Before the arch can be put in it will be necessary to cut the damaged section out. This will take considerable labor, and will entail a loss of about \$1,500.

The bridge is more than three-quarters finished. The north end is practically completed, while all of the piers of the south end are above water. If the weather continues good for a few more weeks the work on the arches can be carried out successfully.

## To Install Pastor.

Rev. John W. Kinchelov, who recently accepted the pastorate of Bainbridge Street Baptist Church, will be formally installed Sunday afternoon at a public service. A committee appointed by the congregation is arranging the program for the occasion. The choir has also prepared special music.

Mr. Kinchelov came here from Princeton, W. Va., two weeks ago. He has taken up his residence at the parsonage, at Eleventh and Porter Streets.

**With Justice Maurice.**

Herndon Doyle, colored, wanted in Emporia on a charge of horse stealing, was ordered held for the police of that place by Justice H. A. Maurice, yesterday morning in Police Court, Part II.

Minnie Cunningham, colored, charged with assaulting Celia Robinson in the Second Baptist Church, colored, was fined \$5 and costs.

Mike Green and Joseph Kinche were each assessed \$5 and costs for drunkenness.

**Boys Break Lights.**

Numerous complaints have been made recently to the Southside police about boys throwing rocks at street lights. Several have been broken, and some of the missiles have gone wide of the mark and smashed windows. The police are on the trail of some of the marauders and will have them to court.

**Gives Decision To-Day.**

The decision of Justice H. A. Maurice on the cases of the American Tobacco Company and Virginia Railway and Power Company, charged with ordinance violations Sunday afternoon, to-day. Witnesses to the collision between an automobile truck and a street car were examined on Wednesday. Both vehicles were said to be exceeding the speed limit.

**Mrs. W. E. Bass.**

Mrs. W. E. Bass died at 9 o'clock last night at her home, 3159 Hall Street, Swansboro. Besides her husband she leaves four sons, T. F. E. W. A. and P. B. Bass and three daughters, Mrs. J. B. Ahorn, Mrs. W. W. Houchins and Mrs. Inez Jones.

Mrs. Bass was the daughter of the late Frederick Ridd, of Powhatan County. She was in her sixty-sixth year. The funeral arrangements have not been completed.

## Won Its Favor Without a Flavor

When you eat a breakfast cereal you want to do your own flavoring or seasoning. That's the reason you will choose.

## Shredded Wheat

for your morning meal. It is a natural, elemental food made of the whole wheat steam-cooked, shredded and baked a crisp, golden brown. It is not flavored or treated or compounded with anything and hence keeps indefinitely in the market—the standard cereal food eaten all over the world.

For breakfast heat the Biscuit in the oven a few moments to restore crispness; then pour hot milk over it, adding a little cream; salt or sweeten to suit the taste. It is deliciously nourishing and wholesome for any meal with stewed prunes, baked apples, sliced bananas, preserved peaches, pineapple or other fruits. At your grocer's.

Made only by The Shredded Wheat Company at Niagara Falls, N.Y.
